## SAVE GAME INSTRUCTIONS

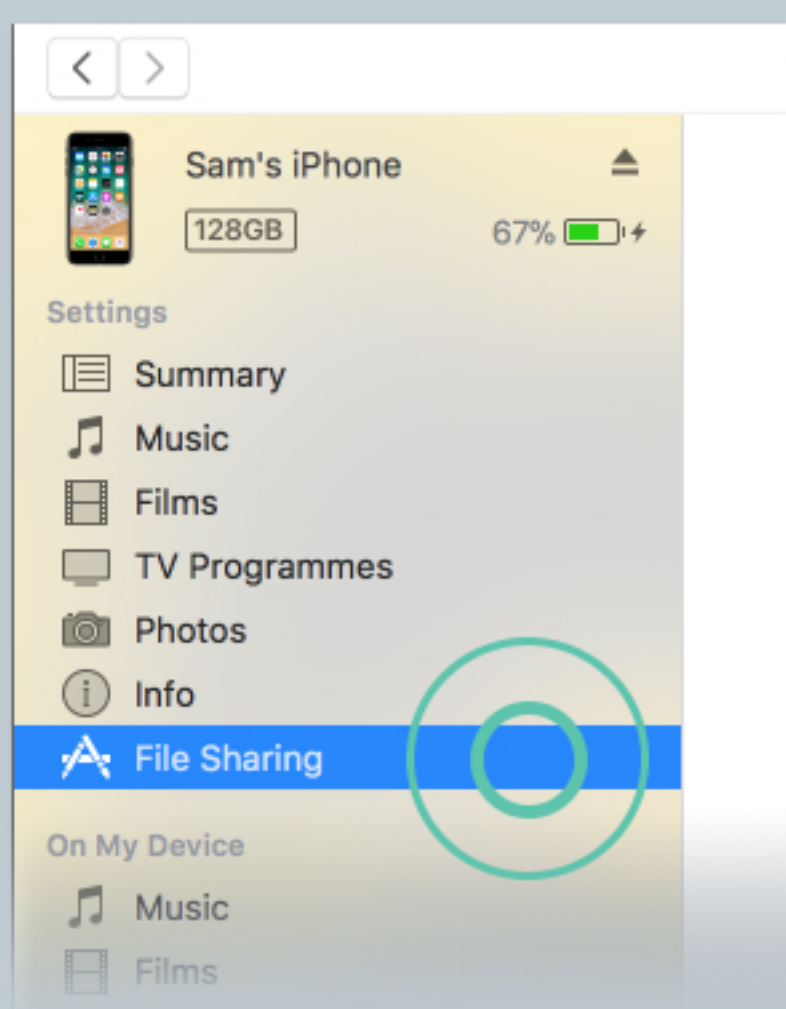

The following instructions serve as a guide to retrieve your save games from your device and send them on to us at Playsport:

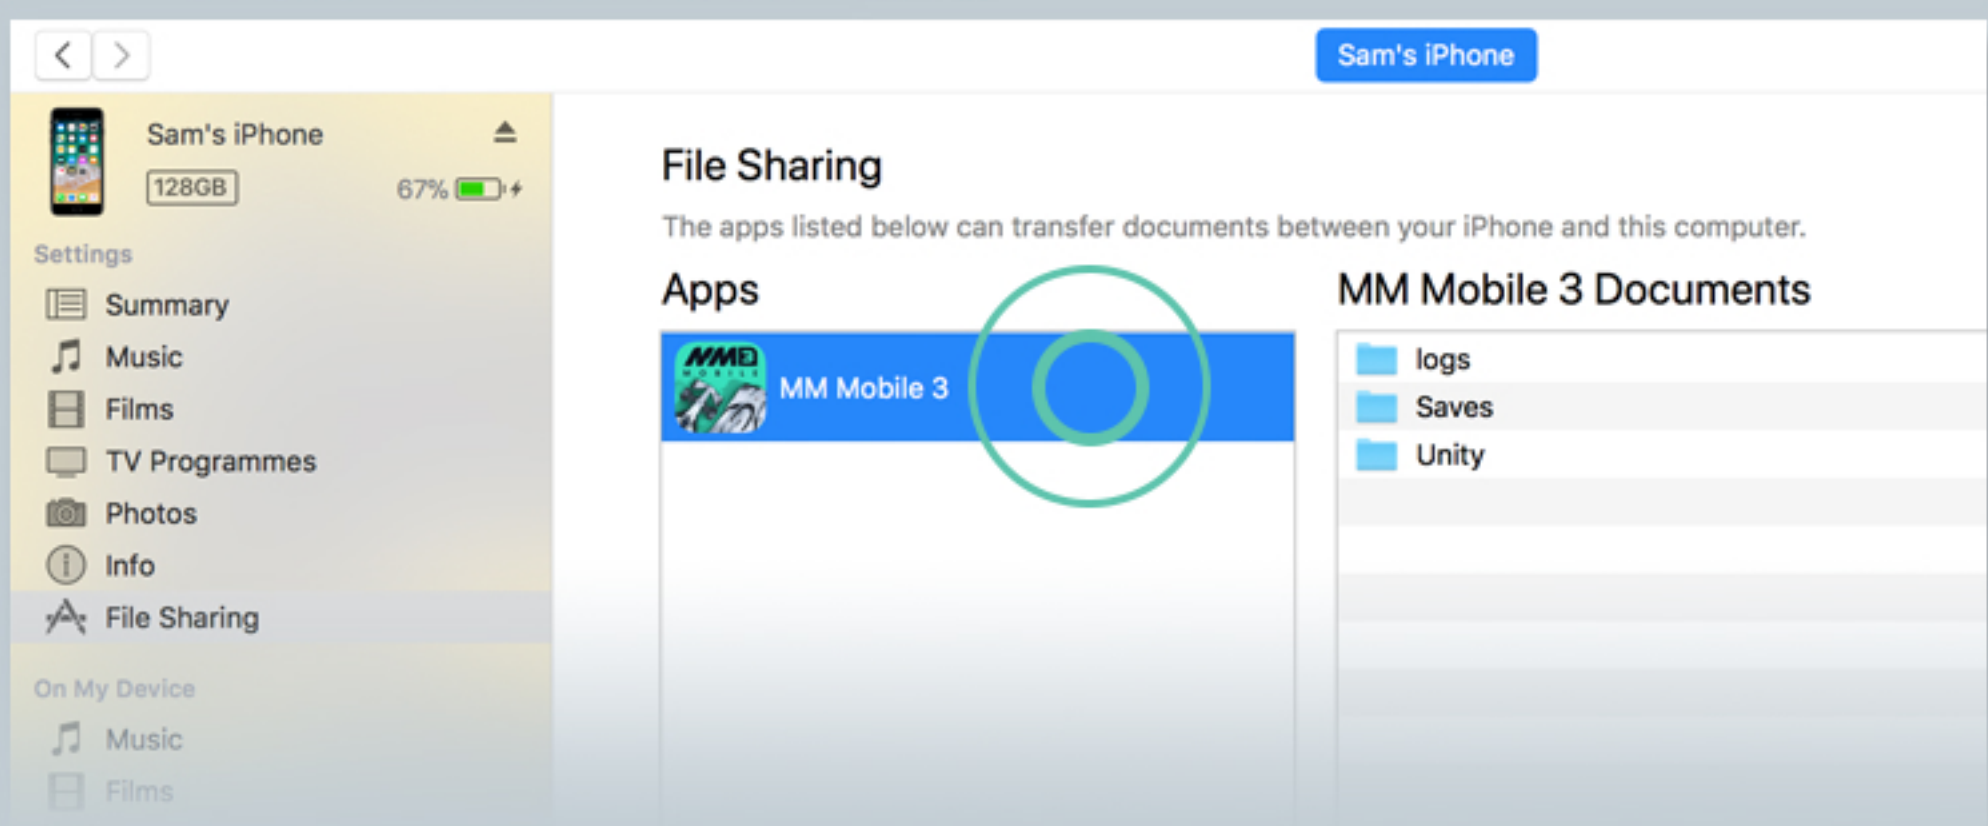

- Ensure you have the latest version of Motorsport Manager Mobile 3 by checking for updates in the App Store.
- Connect your iPhone to iTunes via a USB cable.
- Click on the phone icon in the iTunes top bar.

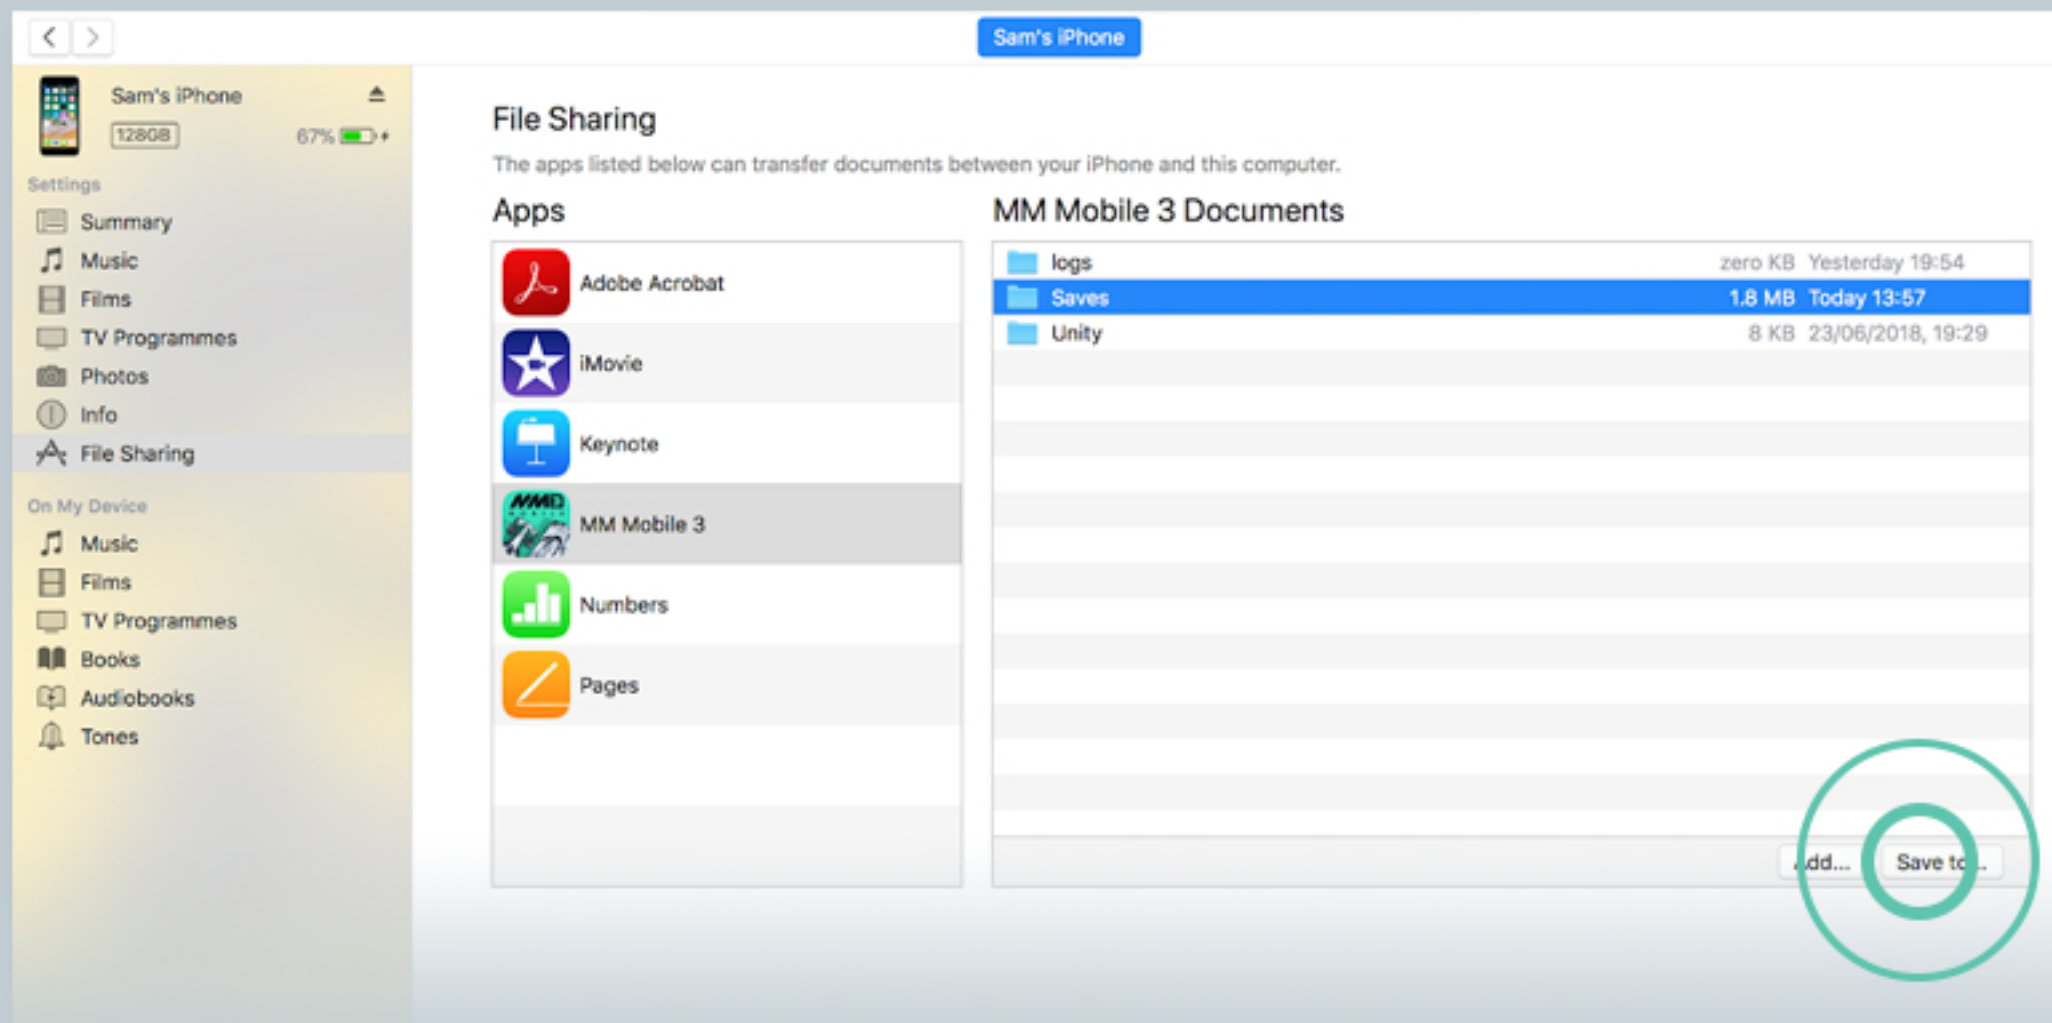

- Select File Sharing

- Scroll down to file sharing and select MM Mobile 2

- Select saves and click the "Save To..." button to export your save folder to a local directory on your computer.

- Attach the extracted folder to an email and send it to supportios3@playsportgames.net along with a description of your issue.
